## **DETAILED ACTION**

### ***Response to Amendment***

1. Applicant's amendment was received on 4/30/07 and has been entered and made of record. Currently, claims 1-12 and 35-37 are pending.

### ***Response to Arguments***

2. Applicant's arguments, see pages 6-9 of the remarks, filed 4/30/07, with respect to claims 1, 7, and 10 have been fully considered and are persuasive. The rejection of claims 1-12 and 35-37 has been withdrawn.

### ***Examiner's Amendment***

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brian Hameder on 7/9/07.

The application has been amended as follows:

Regarding claim 7, in the third line of the third limitation, "the original image" should be replaced with "an original image". The limitation should read, "an event information retrieval means for extracting any event information in the selected genre within a predetermined range being in correlation to the time which is related to an original image, by retrieving from the sorted data in the event information database with using one or more of the items".

***Allowable Subject Matter***

4. Claims 1-12 and 35-37 are allowed.

5. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose, teach, or suggest the claimed limitations of (in combination with all other limitations in the claims), an event information retrieval means for extracting any even information in the selected genre within a predetermined rang being in correlation to the time which is related to the original image, by retrieving from the sorted data in the event information database with using one or more items and an image editing means for preparing a datum of an image plus event information, from the datum of original image and the extracted event information, as set forth in claim(s) 1, 7, and 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2625

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
